

2025 Sponsorship Prospectus

**Association of Advancement
Services Professionals**
Fueling nonprofits. Advancing careers.

About Our Association

Association of Advancement Services Professionals

(aasp) is the preeminent network of current and aspiring leaders in advancement services who inform the strategy and direct the operations that fuel and fund nonprofit organizations.

As the only association focused exclusively on bringing a big-picture perspective to the full scope of advancement services across all nonprofit sectors, aasp serves as an authority on best practices, an advocate for the field and an incubator of innovation.

In a rapidly growing and evolving profession charged with managing and leveraging vast amounts of data and information, aasp provides education and tools to help members tackle what's now and prepare for what's next—from emerging technologies to regulatory changes and risk mitigation to systems integration.

MISSION STATEMENT

We strengthen the field of advancement services and the careers of individual professionals by connecting, informing and empowering a network of current and aspiring advancement services leaders.

VISION STATEMENT

We envision a successful future for all nonprofits, advanced by the contributions of our diverse and extensive network of advancement services professionals.

CUSTOMIZE YOUR SPONSORSHIP

aasp recognizes that each sponsoring organization has unique interests and needs. Contact aasp to customize a sponsorship package of available opportunities that will maximize your exposure and stay within your budget.

To customize a package, contact Sarah Getsinger at:

KEY DUTIES OF ADVANCEMENT SERVICES PROFESSIONALS

- > Facilitate fundraising, gift processing, constituent tracking, relationship management, fund management and stewardship.
- > Provide the essential infrastructure of the advancement enterprise.
- > Position front-line colleagues (fundraisers, alumni officers) for success in relationships with donors, potential donors, volunteers and supporters.
- > Minimize risks that management incurs by accurately recording and reporting fundraising information and by securely managing sensitive data.
- > Understand, explain and apply all regulations and guidelines governing fundraising, gift processing and gift accounting (IRS, CASE, FASB/GASB, etc.).
- > Stay current with trends in philanthropy and with the technical developments that apply to the profession; communicate and lead their organizations in applying these developments.
- > Maintain data quality, acquire new data and perform analytics to improve the ability to raise funds and engage constituents.
